

## Weekly Summary

Highlighting this past week's event with useful tips and suggestions

May 15, 2020

Our website has been updated! We added a COVID-19 resource page.

Please use the website as a resource for you and our members. It has a list of contracted Urgent Care facilities. You can find the nearest RadNet imaging centers. Patients can schedule an on-line lab appointment at the LabCorp facility. Under our **Resources** section, we have updated information on COVID-19 for patients and physicians, a Wellness Library, Healthier Living Tools, and a list of Nurse Lines for your members.

Go visit our site at [www.prospectmedical.com](http://www.prospectmedical.com)!

Dr. Derek Lanier, National CMO

Dr. Cassidy Tsay, CA CMO

Lourdes Alberto, SVP Nat'l Network Management

### Highlights on COVID-19

- Reminder!
  - [www.coronavirus.gov](http://www.coronavirus.gov) and [www.cdc.gov](http://www.cdc.gov) are good sources for update information on COVID-19
  - Prospect stores all these weekly newsletters and bulletins on our website, <https://www.prospectmedical.com/resources/covid-19-providers>
- Resilience Roadmap: <https://covid19.ca.gov/roadmap/>
  - Speed of progression varies county by county
  - Currently, most counties are at the early stage 2 level
  - 4 stages of the roadmap
    - Stage 1: safety and preparedness- make workplaces safer for essential workers
    - Stage 2: lower-risk workplaces- i.e. curbside retail, reopening of schools/day care, offices
    - Stage 3: higher risk workplaces- i.e. movie theaters, religious services, personal services
    - Stage 4: end of stay home order- i.e. concerts, conventions, sports arenas
- Tips on making the workplace safer and reassuring your patients
  - Sanitize the entire office, including work desks
  - Ask members to practice social distancing and wear masks
  - Provide hand sanitizer for members and staff
  - Triage member for symptoms suggestive of COVID-19 and other acute viral illnesses
